O R D E R

On March 7, 1985, Cincinnati Bell Telephone Company ("CBT") filed a tariff which would allow the resale and sharing of local exchange service. On July 12, 1985, the tariff was suspended for 5 months to allow for further investigation.

On July 12, 1985, the Commission accepted the stipulation of CBT that it would not institute its tariff in this proceeding upon the expiration of the suspension period. The stipulation was made to allow the Commission time to review the issue of local exchange resale in Administrative Case No. 293, An Inquiry Into Local Resale of Exchange Services By STS Providers And Cocot Providers. The stipulation was accepted with the proviso that a decision be made in the Administrative Case no later than 10 months after the date of the tariff filing.

The Commission FINDS that a decision has not been reached in Administrative Case No. 293, regarding the issues outlined in CBT's tariff.

IT IS THEREFORE ORDERED that CBT's tariff filed March 7, 1985, be rejected as filed and that this case be and it hereby is dismissed without prejudice.

Done at Frankfort, Kentucky, this 2nd day of January, 1986.
